Number of OHDEN Checkins by District and County by Month													
Note: data are normalized to 4 net sessions per month													
2022	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	2021
Total by Month	59.4	53	56	62	75	57.6	57	64	63	69	55.2	56	
Total Active Co. (>= once / mo.)	14	15	16	19	18	14	17	20	18	20	21	15	
Note: Outside Stations are those outside Ohio but actively involved with OHDEN.													
Outside Misc. are those outside Ohio that may occasionally check in.													

Total Stations and Active Counties

April 2022 continues the trend of an increase in total stations and total active counties. These statistics are aided by the addition of two new counties, Marion and Union, and the return of a long absent county, Erie.

One station has completed Level 2A certification of the OHDEN Supplement to the ARES Emergency Communicator Individual Task Book.
