## *DEC / EC Narrative Reports*

### **District 1 DEC – Brent, WD8PNZ**

#### **Reporting County or District: District 1**

Reporting Month: June

Reporting Year: 2020

Comments : The District 1 Northwest Ohio Traffic and Training Net for the month of June had 370 check ins passed 154 ARRL Radiograms in 509 minutes in 30 sessions. The District participated in the Red Cross drill with 2 Counties participating in the AM portion of the drill and 1 County participating in the PM portion of the drill. More participation would have been desirable and we will work on digital training to get everyone up to speed.

DEC/SEC: SEC - Stan, N8BHL

Your Name: Brent Stover

Call Sign: WD8PNZ

#### **Reporting County or District: Sandusky**

Reporting Month: June

Reporting Year: 2020

Comments : During the month of June, we continued with our Hospital Radio Checks once again. We also continued to meet via Zoom. As we move forward throughout the summer, we will be starting our new DMR net twice a month on our Digital Repeater. We held a DMR virtual hangout (rag chew) session to get everyone acquainted with how to operate. We are working with our members to get everyone on digital. Unfortunately, also during this month we lost a member N8XH who is now silent key. N8XH will be missed and his memory will not be forgotten as he was an active member of our group and participated as much as he could. He represented what it meant to be an ARES member to it's fullest. We paid special tribute to him during our net with his "last radio call". 73, KD8GSI

Your Name: James E. Hershberger

Call Sign: KE8ERN

#### **Reporting County or District: Erie**

Reporting Month: June

Reporting Year: 2020

Comments : Conducted 6 nets with 38 ARES check-ins.

Attach Files - Multiple files can be attached:

DEC/SEC: District 1 Brent, WD8PNZ

Your Name: Tim Bergeman

Call Sign: KE8IBN

**Reporting County or District: Hancock**

Reporting Month: June

Reporting Year: 2020

Comments : 4 routine nets, 2 Skywarn nets. one of the nets had some significant damage reports. Since we are not able to access the district net from the southern end, I relayed reports directly to NWSChat. Very efficient and fast. deployed our go-boxes for field day, have a couple minor things to work out but happy with how they performed.

Lucas County Amateur Radio Emergency Service

June 2020 Report

We started the month off with some storms, so far this year I believe we have had more Skywarn activations than we have had in the last two years. W8LU has been stepping up to help with the Skywarn nets with W8VHS and W8VNL helping out.

The Mesh crew has been busy finishing install the mesh in the trailer. On the 13<sup>th</sup> of June the Northwest Ohio Mesh Committee put on an exercise at the Wood County Fair Grounds, they requested the Lucas County truck and trailer to be part of the exercise. Using the trailer as Incident Command Post and testing all the new mesh equipment aboard. The exercise turned out to be a huge success with amateur radio operators from Lucas, Wood and Monroe Counties coming to check out what we were doing. There is an article in the Fourth of July edition of the Ohio Section News about the exercise.

We had our meeting on June 27, held on the air again. It was announced that the Muddy Mini that had been postponed earlier this month had been rescheduled for July 25<sup>th</sup>. We're starting to take offers to help with the event in hopes that it doesn't get cancel again. We are also waiting to see what is happening with the hospitals and any other events we have coming up here in the near future.

Tim Gray

KD8IZU

Lucas County Amateur Radio Emergency Service Emergency Coordinator

**Reporting County or District: Wyandot**

Reporting Month: June

Reporting Year: 2020

Comments : The Wyandot County Hams did not hold a meeting this month due to scheduling conflicts. We did have two Hams operate Field Day from their home stations. They did register their scores as WAHOO members to claim an aggregate score for the club. "73"

Clark County ARES June 2020 Activities

Membership 12 Members, two members have become SK's.

**Weekly Net**

Three Weekly Nets and one "On the air" meeting were held this month with an average 21 check-in's and 27 man-hours for the month.

Due to the Corona virus ... The CLARA Monthly Meeting was held "on the air".

**ARES Meetings/Training**

Clark County ARES held 3 FLDGI training nets this month. We are starting at a "beginners" level to get operators familiar with the software and how to set-up their equipment. The plan is to continue the nets in the next month.

**ARES Ecomm Mtgs**

Ecomm meetings were also canceled due to the virus.

**Wx Nets**

No Weather Nets activated this month, May.

**Reporting County or District: Preble**

Reporting Month: June

Reporting Year: 2020

Comments : 4 weekly nets and fieldday. The group participated individually or in small groups. Some operated from home as class D, Class B and the EMA was class F for Saturday afternoon. No Skywarn activation's

**Reporting County or District: Hamilton**

Reporting Month: June

Reporting Year: 2020

Comments : Very busy month! Supported Cincy PD during local unrest in a unique way - monitoring RF traffic. Cincy EMA was also supported during the several days of unrest. A week later we activated to support SkyWARN during a weather event. ARES conducted a Health POD tabletop exercise preparing for the future deployment of COVID immunizations. We plan to conduct a Functional exercise sometime soon. ARES was asked to assist HamCo Health with monitoring local weather during their COVID pop up testing operations. During one day, health admin suspended operations based on our reports and waited for us to give the okay to resume. We worked close to Cincy SkyWARN to make this possible. Very happy to see this cooperation between radio groups! COVID testing sites will continue into the month of July. FD was mostly uneventful for ARES due to many clubs cancelling their plans. However, many members did participate in their own was from home or by themselves. Public Service events are still cancelled in HamCo.

**Reporting County or District: Licking Co.**

Reporting Month: June

Reporting Year: 2020

Comments : Licking County Comments: For the June NARA club meeting, Steve N8WL gave the presentation on Field Day 2020. Steve reviewed the current rule changes due to COVID-19 which allowed operators to operate from their home. Several Licking Co. members did operate from their homes using the 1D or 1E class and was successful in their efforts. We are looking forward to see what the final totals are. This meeting took place via a video/phone conference call and was successful. Bret KD8SCL EC has been in constant contact with Sean Grady EMA 2 times a week, not much happened in June due to the current situation. Looking forward to see what July brings. Please be safe.

Activity

2020

June

1. Operated as net control for the following ARES nets:

**Net Date Band/Frequency/Repeater**

OHDEN June 16 80 meter

Meigs County Aux Comm June 18 KC8LOE

2. Updated the OHDEN Standard Operating Guide incorporating initial input from Gary

Hollenbaugh and Eldon Peterson. The document is currently still in review by these two then it will be distributed for a wider review.

**Reporting County or District: Hocking**

Reporting Month: June

Reporting Year: 2020

Comments : Still holding on air meetings do to the pandemic. New 2 meter and 440 antennas installed on our county tower. Both seem to be performing very well with much improved signal strength in many outlying areas. Quite a few operators in Hocking County participated in Field Day from their own stations. We missed the annual get together but still had a lot of fun.

**Reporting County or District: Washington**

Reporting Month: June

Reporting Year: 2020

Comments : Was reinstated as EC for Washington County as of June 1st. Sent emails to Washington County EMA and Marietta Health Systems ( Marietta Memorial Hospital) acknowledging my EC reinstatement. Update my previous EC records and have a couple new ARES members registered for Washington County. Also updated ARES connect records for Washington County. Began regularly participating with several statewide ARES nets in Ohio. Field Day in Washington County was observed primarily on an individual basis due to Covid-19. The Marietta Amateur Radio Club station was on the air as a 1D station. I participated in Field Day from my home QTH as 1E using a natural gas generator powered from a private natural gas well that is on my property.
