Number of OHDEN Checkins by District and County by Month													
Note: data are normalized to 4 net sessions per month													
2022	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec	2021
Total by Month	59.4	53	56	62	52	57.6	57	64	63	69	55.2	56	
Total Active Co. (>= once / mo.)	14	15	16	19	15	14	17	20	18	20	21	15	
Note: Outside Stations are those outside Ohio but actively involved with OHDEN.													
Outside Misc. are those outside Ohio that may occasionally check in.													

Total Stations and Active Counties

OHDEN net participation has dropped a bit this month. Contributing factors are the more challenging NVIS propagation conditions we've experienced lately and the QRM from a WinLink station. Net management is considering mitigations for these issues.

A new station has accepted the responsibility and challenge as operating as OHDEN net control bringing the total to four NCS station.
