

The Week ahead (June 30, 2024)

A weekly newsletter from the Alliance Amateur Radio Club

First up

Well, we did it! We survived another Field Day. Thanks to all of you for your hard work & support. No, I don't have the results yet. Alex will provide those to us once he's had a chance to get things submitted.

Another month ahead. We have some big stuff coming up in July. Firstly, the drawing of the winner of the Yaesu FT-710AESS. There's one more Hamfest coming up (this Saturday), and that will be it for this season. By the way, if any of you have the idea of launching immediately into another raffle, I have one word for you. NO!

We'll be back in spring of 2025 with our next one.

The next one isn't really in July, but begins on August 1st. That's the W8LKY Special Event. You can read all about it later in the newsletter.

This newsletter is a quickly dashed off one. I promise to do better next time (Having a week off has something to do with it). One thing I intend to accomplish this week is to get all the pictures posted to the website & social media.

How to find The Newsletter

You will soon be able to read the back-issues of our newsletters on the website. There was (and is) still a lot of work to do, but you'll be able to go to w8lky.org, click on the newsletter tab, and look for the issue you want.

AARC Field Day Pictures

AARC Club Breakfast

Our monthly breakfast is coming up this Saturday (June 1st). As usual, we'll be at Don Panchos (2105 W. State St, Alliance). Officially, the breakfast starts at 8:30am, but I'm always amazed at the number of folks who show up at 8am.

The breakfast is open to all. All that is required is an interest in Ham Radio. Everyone is welcome, regardless of when you show up.

Stark All County Club Picnic!

*Join us when all clubs come
together for lunch and fellowship!
Bring a dish to pass and your appetite!*

**August 31
10am - 3pm**

Jaycee Pavilion
At Butler-Rodman Park
West State St. Alliance

Stark County Radio Club picnic – Save the date for Saturday, August 31st, 2024 from 10am –3pm. We will be at the Jaycee Shelter in Butler Rodman Park.

Plans are still being made at this time, and I'm open to suggestions. At time of year, I'd bet that corn will be on the menu.

W8LKY Special Event

During the Carnation Festival (August 1st – August 11th), we'll be putting W8LKY on the air as a special event station. We'll be offering some in the park opportunities, and you will be able to sign up to run the callsign from your own station.

People who we contact can then request a certificate via E-Mail (for free), or a certificate & QSL card via Mail (With a SASE & \$1).

Details will be posted on our website (w8lky.org), and our QRZ page (<https://www.qrz.com/db/W8LKY>). Also, this special event will be in the August issue of QST.

Get On The Air Day – August 5th

We'll be holding another Get on the Air Day the JayCee Pavilion in Silver Park. Time will be about 3pm till whenever.

We'll set up a station or two, and demonstrate how to run a Special Event. I'll confirm the times as we get a bit closer, but this will be a great time to get out and enjoy our beautiful park system while playing radio. Oh yes, you'll be able to ask questions too!

Carnation Festival Grand Parade

As we've been doing for the last few years, the club will be providing parade for the Greater Alliance Carnation Festival Grand Parade on Saturday, August 10th. To sign up, please contact Ron, KE8HCY.

Also, we'll again have the club trailer decorated and entered as a float in the parade. Pam Kleinhans has volunteered to decorate the trailer and orchestrate that part of our participation. She'll need help from all of us, so let's give her our support.

Wednesday Morning Coffee Break

A group of our retirees (and 2nd shifters) gather each Wednesday morning around 9 AM at the Alliance Sheetz on W. State St for good coffee, and conversation. Hope you can join us.

The Alliance Amateur Radio Club seeks to

- Promote fraternalism
- Educate and advance radio knowledge and individual operating efficiency
- Provide public service communications in the event of disasters or other emergencies
- Conduct club programs and other activities that advance the general interest and welfare of amateur radio in our community, county, and state.

AARC Fundraiser Is Underway

[Yaesu FT-710 AESS](#)

Our 2024 HF Rig Raffle is now live!

https://www.w8lky.org/hf_rig_raffle/

You can buy tickets in person at any club events, or online at the above link.

We'll be hitting the following Hamfests as long as we have tickets to sell.

June 9th – **Breezeshooters Hamfest** – Butler, PA

July 6th – **Mansfield Mid-Summer Trunkfest** – Mansfield, OH

Some help staffing the hamfest tables will be appreciated.

This year, the ticket prices are:

1 for \$5

5 for \$20

12 for 40

15 for \$50

(Paypal adds a small handling charge to all online sales)

https://www.w8lky.org/hf_rig_raffle/

Upcoming VE Exams

7/20 - Massillon - https://www.arrl.org/exam_sessions/massillon-oh-44646-8407-14

For more VE exam dates - <https://www.arrl.org/find-an-amateur-radio-license-exam-session>
