\$150 Ask

Aluma Crank up Tower, 2 Piece, est max height 30 or 40 ft, needs crank, cable, and likely other misc hardware parts too (used) w/ instructions/catalog.

\$125 Ask

80/40M Butternut HF2V Dual-Band Vertical Antenna. Can provide link to or copy of manual upon request. This looks as if it was never put up or if it was up then it was not up for very long. (\$690 new)

\$50 Ask

80/75m Alpha Delta Single Band Full Size Dipole Antennas DX-80 tuned to 3.849MHz (lightly used). The antenna legs are uncut from new so it can be re-tuned as needed. Note: link to free instruction manual online available upon request. (\$120 new)

\$90 Ask

Cushcraft A148-10S 11 Element 2m Beam (used) w/ instructions. It has been broken down for ease of transport as shown below. Needs new screws & nuts to attach elements to center beam and clamps to attach to mast pipe. This antenna is very similar to I0JXX 2M Yagi Antennas 18470-8-2 which sells for approx \$280 new.

Stock Photos: FM Orientation vs SSB

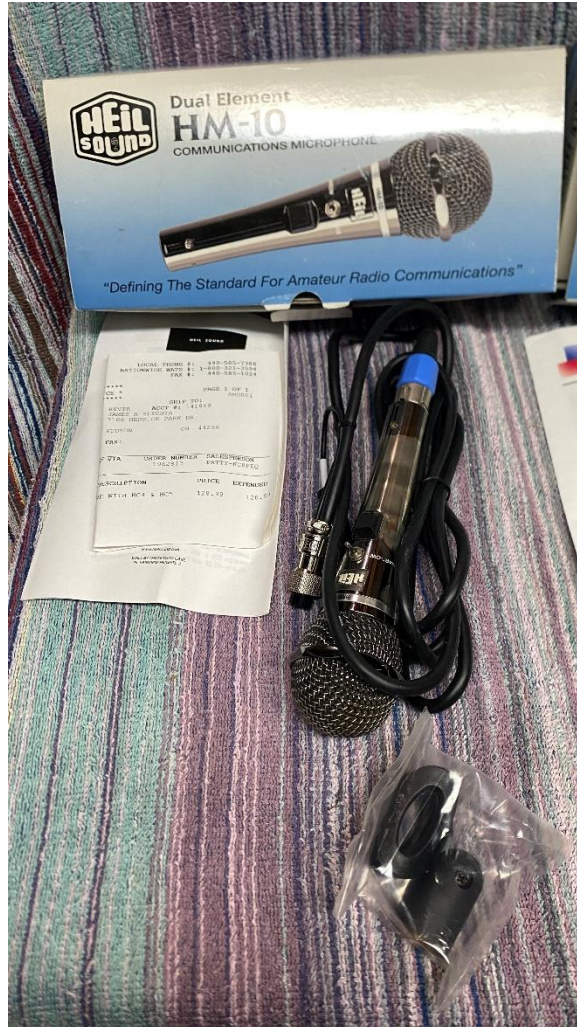

\$325 ea Ask

Two (2) 500 ft spools of AMELCO RG-213/U COAX. They were stored indoors. As shown in detail pictures, a 2 inch piece was removed from end of spool and outer casing removed. The shielding braid is bright so no moisture damage is present. The dielectric is solid, not foam. It also remains supple, pliable, and when bent 180 degrees does not snap or break.

\$35 Ask

Heil Sound HM-10 Dual Element Microphone (used) w/ Heil Sound Adapter Cable CC-1-I. Chrome has faded some from being handheld. (Note: the CC-1-I cable is wired for Icom and is \$40 new). Desk stand w/ Cast iron base available too for an additional \$10.

\$30 Ask

Heil Sound HM-10 Dual Element Microphone. Chrome has faded from being handheld. Includes two (2) cables. First Cable has a 4 pin connector to the mic on one end and an 8 pin (probably wired for Icom) on other end. Second Cable is approx 6 ft long and does not have a connector on either end. Second cable has 4 conductors being 3 insulated and 1 braided shield. Desk stand w/ Cast iron base available too for an additional \$10.

\$40 Firm

(Mint) Heathkit HM-102 HF Wattmeter 200 & 2000 Watts w/ Manual
